Subject: 810 W. LOMITA BLVD

Bill,

I need your assistance with placing three 6 yard at this location, behind the Salvation Army in the parking area.

This is going to be a pilot program in CD15 for one month and we will keep you updated when the bins need to be picked up.

The original 6-yard bin got damaged and was removed, so one of them would remain at the location.

I have also spoken to Gerardo Ramirez from the Harbor District who will provide service two times a week.

Re: 810 W. LOMITA BLVD

LAHSA, if you would please get the information about the bins to the homeless community at 255th and McCoy and to use them for their trash disposal it would be greatly appreciated.

I would like to thank all of the departments and agencies for contributing their resources to this request.

Harbor City Green Way  
810 W. Lomita blvd. 90710  
Behind Salvation Army building.
